I have attached our logo in digital form

I, as a fully authorised teacher or representative of the above organisation, request an education license for use with the ViewRanger software application.

I agree that the ViewRanger map data and licenses provided to us under this ViewRanger programme shall only be made available to teachers and students of our organisation.

I agree that Augmentra shall be entitled to publicise the use of its ViewRanger software application by our organisation, and to use our organisation logo, herewith supplied, on its website along with the terms "used by".

I agree that a link shall be placed on our organisation's website, where practical, linking to ViewRanger's website at [www.viewranger.com](http://www.viewranger.com)
